The Buddy Walk was developed by the National Down Syndrome Society in 1995 to promote acceptance and awareness of people with Down syndrome. It has grown from 17 walks in 1995 to more than 260 walks in 2005.

DS Support is the Chicagoland host for the Buddy Walk. Over the past 4 years we have distributed over \$95,000 to Chicago area Down syndrome groups and to NDSS. This year's walk will be on October 8, 2006 at Walker Park in Burr Ridge.
